HOP BREEDING CO.

ADEENA®

LATITUDE
46°

Adeena® is a promising noble-style star for brewers. The herbal, slightly spicy flavor characteristics and unique floral with a hint of lemon/citrus aroma gives you depth and versatility that'll make lagers, pilsners and other light style beers shine.

Aroma Profile: Herbal, Light Floral, Citrus, Subtle Spice, Lemon

Alpha Acids	3.5-5.5%
Beta Acids	3-4.6%
Total Oils	0.8-2.5 ml/100g
